

# PSA Bristol

## FIT-OUT

### Location

Bristol

### Client

PSA Group

### Value

300k

### Duration

8 weeks

The works involved the fitting out of a New Build Industrial Shed to create offices and ancillary areas to enable the site to run as a New Parts Centre. In addition a fire compartment wall was constructed in the warehouse to create a separate workshop area. Works included for New Mechanic & Electrical installation, partitioning, and joinery items. Ancillary areas included New Toilets, Canteen and Workshop Control Area.
